

Delmarva Christian Service Camp  
Boosters NEEDED!  
Want to help, but don't know how?  
Here's your opportunity!!

DCSC has been a great blessing to the Christians of Delmarva since 1969 when we began our camp at the old Fort Miles Army Base at Cape Henlopen, Delaware. The first year at "our" camp was 1974. What a GREAT time we have had through the years, not only with youth camp weeks, but ladies' retreats, men's retreats, missions weeks, and family camp. Our camp directors are more determined than ever to continue to make DCSC as good as possible. Long range goals have been set which will require financial help from committed Christians.

If you would like to be a "camp booster", please fill out the form below, and mail it with your "BOOST".
