

Delmarva Christian Service Camp

To all requesting scholarships

1 Feb, 2013

The board of directors have put together a scholarship committee to implement and oversee the 'Bob Kidwell Memorial Scholarship' funds and Delmarva Christian Women's scholarship funds.

This action is also required due to the large increase in camp scholarship requests.

New requirements are now required from each camper requesting a scholarship.

1. Scholarship request form must be submitted to the DCSC scholarship committee by April 15 of the year requesting scholarship.
2. DCSC scholarship committee will review all requests forms, assign scholarships and the board of directors shall approve all scholarships.
3. Campers shall be notified by the first part of May of directors' decision.
4. Only genuine financial need please apply due to limited funding.

These funds have been set-aside for scholarships based on financial need. There is only a limited amount of funds available. This application and selection process will enable the directors to manage the Lord's funds adequately.

Any requests for financial support after Apr 15th needs to be directed to your congregation.
